Ensuring Every  
Experience is Memorable.

## OUR COURSE

### TEEBOX CAFE

Beautifully located in the heart of Claremont.

At TeeBox Cafe we pride ourselves in giving the best service each and every time.

Ensuring Every Experience is Memorable.

In early 2017, the Town of Claremont appointed Golf Oracle to manage and operate the all new par 3 golf course once significant refurbishments were complete.

Terry Gale redesigned the golf course and supervised the construction during the Autumn of 2017.

Our new facility re-opened in October 2017, after significant expenditure by Golf Oracle creating TeeBox Cafe.

The course comprises of 9 holes all being par 3's ranging in distance from 87 meters to 137 meters.

We offer a great experience for golfers and non-golfers alike.
